

NHIA 2024 Speaker Submission Template

Session Title (aim for 10 words or less)

Submission Type

Educational Session - 60 minutes

Sixty-minute sessions will consist of a 45-50 min podium presentation, followed by 10-15 minutes of Q&A.

Roundtable

Roundtables are informal sessions where the moderator leads discussion and collaboration around the topic submitted. Note the education committee may ask individuals who submit for a 60-minute session to moderate a roundtable. All sessions are selected by an interprofessional team on the NHIA Education Committee.

Track

Clinical, Nursing, Leadership, Revenue Cycle, Sales & Marketing, or Sterile Compounding

Topic Description

Several sentences describing your topic. This should be engaging and informative.

Additional Handouts/Tools (optional)

Learning Objectives

Provide 3 learning objectives that are clear, measurable, and achievable. These objectives should highlight the key takeaways your presentation should provide attendees at this session. The learning objectives help attendees determine if the materials you present are appropriate for them, help focus your preparation of the content, and provide a structure to measure the educational success of your materials.
